

## BOARD OF REGENTS TUITION AWARD

The Bay Mills Community College Board of Regents Tuition Award waives the tuition of the student making application for the Academic Year of the approval. A student must reapply each academic year for the tuition waiver, which does not cover the registration and student fees or cost of textbooks.

The Board of Regents Tuition Award will be awarded to all students admitted to BMCC who complete the required application and meet the following rules:

- a. Must be a member of a U.S. Federally Recognized Tribe and **a copy of your Tribal I.D. or verification of Tribal membership from your Tribal Enrollment Clerk is on file at BMCC.**
- b. Must maintain a 2.0 Grade Point Average.
- c. At least one-half or 50% of all credits taken at any given time must be taken on campus. Please be aware that enrollment in online classes or off campus classes after you have enrolled on campus can cancel your eligibility if you fall below the 50% on campus rule.
- d. Students must display good moral character to remain eligible (the BMCC student handbook will be used for reference of expected student behavior).

The award is presently limited to one hundred (100) credits which are enough to secure any Associates Degree BMCC offers and remember at least one-half or 50% of all credits taken at any given time must be taken on campus. If a student withdraws from a class after the drop period and the Board of Regents Tuition Award has been applied to the student's account, the class will count against the one hundred (100) credits allowed under the Board of Regents Tuition Award program.

Any student currently earning below a 2.0 cumulative Grade Point Average at the end of the academic year will be placed on probation and have one academic year to bring their GPA up to a 2.0. If the student fails to achieve a 2.0 during the probationary period, they will not be eligible until their cumulative GPA is brought up to the 2.0 requirement.

**\*\*Early Childhood Education COURSES are not subject to the 50% on campus rule as stated in Part C above. Please check with the Academic Manager for Online Learning to determine eligibility.**
