Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)

The Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) was signed into law on December 27, 2020. The CRRSAA established additional funding through the Higher Education Emergency Relief Fund (HEERF II) to address needs directly related to the coronavirus.

About the CRRSAA – HEERF II Grants

Bay Mills Community College received the following supplemental grants from the Higher Education Emergency Relief Fund (HEERF II):

- Student Portion – \$111,249, which is designated to provide financial aid grants to students.
- Institutional Portion - \$417,617, which may be used to defray expenses associated with the coronavirus; carry out student support activities that address needs related to the coronavirus; and make additional financial aid grants to students.
- Tribally Controlled Colleges and Universities (TCCUs) - \$1,995,155, which may be used to defray expenses associated with the coronavirus; carry out student support activities that address needs related to the coronavirus; and make additional financial aid grants to students.

CRRSAA – HEERF II Student Grant Information: Spring 2021 Semester

Similar to the Coronavirus Aid, Relief, and Economic Security (CARES) Act with HEERF I funds, the CRRSAA - HEERF II funds are distributed as grants with appropriate use stipulations. The CRRSAA student grants must be used to cover expenses related to the student's cost of attendance or for emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. Unlike the CARES Act, the CRRSAA requires that institutions prioritize students with *exceptional* need, such as students who receive Pell grants, and authorizes grants to students exclusively enrolled in distance education.

Eligibility

Our goal is to distribute the CRRSAA student grants as widely and equitably as possible, while prioritizing students with the greatest need. We recognize that all of our students have been impacted by the coronavirus pandemic and have faced financial challenges.

To be eligible, students must meet the following criteria:

- Be a U.S. citizen or national, permanent resident, or other eligible noncitizen.

- Obtained a high school diploma, GED, or completion of high school in an approved homeschool setting, with transcripts on file with BMCC. This requirement may be waived for students admitted to special programs, such as native studies.
- Must use the CRRSAA student grant to cover expenses from any component of the student's cost of attendance and/or emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare incurred after December 27, 2020.
- Be enrolled in at least one credit hour as of March 15, 2021. Students who have completely withdrawn or stopped attending all of their classes before March 15, 2021 are not eligible for a CRRSAA student grant.
- Dual enrolled high school students are not eligible for funding.

Award Amounts

BMCC will calculate the award for spring, 2021 semester based on student enrollment status as of March 15, 2021. BMCC is using a 3-tier approach to prioritize students with exceptional financial need based on the Expected Family Contribution (EFC) as determined by the FAFSA.

Table of Award Amounts Based on Student Status

Student Status	\$0 EFC	\$1-\$5,711 EFC	>\$5,711 EFC or No FAFSA
Full Time (12 credits or more)	\$1,500	\$1,000	\$800
Three-Quarter Time (9-11 credits)	\$1,125	\$750	\$600
Half Time (6-8 credits)	\$750	\$500	\$400
Less than Half Time (1-5 credits)	\$375	\$250	\$200

Application Process

To ease the burden on students and distribute these funds more quickly, an application will not be required. BMCC has identified which students meet the eligibility requirements and will notify them by email.

Checks will be issued and mailed to the student address on file. By accepting the payment, students are certifying that they will use the CRRSAA student grant to cover expenses from any component of their cost of attendance and/or emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare incurred after December 27, 2020.

Students will receive this funding directly, unless the student has given written, affirmative consent to apply the grant toward the student's account balance.

Check Distribution Dates

BMCC will mail checks to students on March 25, 2021.
